The test fee does not cover treatment if you already have TB.

Attending the clinic

You should contact the clinic to book an appointment and make it clear you need the test for a UK visa application.

You can expect to get an appointment a few days after you request one. At busy times you may have to wait 10 days for an appointment, especially during the UK student visa peak season between June and September.

If you need to cancel your appointment, you should contact the clinic as soon as possible.

If you would like an appointment with a female clinician, please ask the clinic when you schedule your appointment.
