## **Attending the clinic**

You should contact one of the approved clinics to book an appointment and make it clear you need the test for a UK visa application.

You can expect to get an appointment within a few days of your request. At busy times you may have to wait 10 days for an appointment, especially during the UK student visa peak season between June and September.

## **Test fees**

The fee for TB screening is set by the clinic. You will pay the clinic directly for the cost of your TB test. The cost of the test is in addition to the visa application fee.

The test fee does not cover treatment if you have TB.
