Attending the clinic

You should contact one of the approved clinics to book an appointment and make it clear you need the test for a UK visa application.

You can expect to get an appointment within a few days of your request. At busy times you may have to wait 10 days for an appointment, especially during the UK student visa peak season between June and September.

If you would like an appointment with a female clinician, please ask the clinic when you schedule your appointment.

If you need to cancel your appointment, please let the clinic know.

What you should bring with you

- the passport you are using to submit your application and valid ID, which contains your photograph, such as a national ID card
- the TB test fee
- if you have had TB in the past or have any other lung disease, you should provide details of your previous screening and, if possible, your medical notes and x-ray results

Test fees

11 years and above	Below 11 years
---------------------------	-----------------------

130 USD	55 USD
---------	--------

The fee must be paid in local currency directly to the International Organisation for Migration (IOM) clinic.

The cost of the test is in addition to the visa application fee.
