Operating hours:

- Monday to Friday, 8am to 7pm

Attending the clinic

As the clinics are connected, you must book your appointment with Dra Silvina Martinez first and make it clear you need the test for a UK visa application.

You can expect to get an appointment within a few days of your request. At busy times you may have to wait 10 days for an appointment especially during the UK student visa peak season between June and September.

Processing times change between clinics. You should check when you make your appointment how long it may take to receive your TB certificate.

If you would like an appointment with a female clinician, please ask the clinic when you schedule your appointment.

If you need to cancel your appointment you should contact the clinic as soon as possible.
