---------------------------	-----------------------

THB 3,800	THB 500
-----------	---------

The fee for children below 11 years includes a history taking and physical exam. Children may be required to have a chest x-ray/or sputum test, which will cost THB 4,200.

The test fee does not cover treatment if you have TB.

Attending the clinic

You should contact the approved clinic to book an appointment and make it clear that you need the test for a UK visa application. You can expect to get an appointment within a few days of your request.

At busy times you may have to wait 7 days for an appointment, especially during the UK student visa peak season between May and August.

If you need to cancel your appointment, you should contact the clinic as soon as possible.
