What to bring to the test

- 2 passport-size photos
- valid identification which contains your photograph, such as a passport or national ID card

Children under 11 can bring a photocopy of their passport or a photocopy of their birth certificate instead of photo ID.

Attending the clinic

You should contact one of the approved clinics to book an appointment and make it clear you need the test for a UK visa application.

You can expect to get an appointment within a few days of your request. At busy times you may have to wait 10 days for an appointment, especially during the UK student visa peak season between June and September.

If you would like an appointment with a female clinician, ask the clinic when you schedule your appointment.

If you need to cancel your appointment, please contact the clinic as soon as possible.

Test fees

The cost of the test is in addition to the visa application fee.

What you should bring with you

- valid identification which contains your photograph, such as a passport or national ID card
- 2 passport-size photos (only needed for Raffles Medical Hanoi and Ho Chi Minh City)
- the TB test fee
- if you have had TB in the past or have any other lung disease you should provide details of your previous screening and, if possible, your medical notes and x-ray results
